

MABELE NKL HOLDINGS BRINGS SMILES TO LEARNERS THROUGH SCHOOL UNIFORM DONATION

As part of Palabora Mining Company (PMC)'s ongoing commitment to community development and meaningful partnerships, it continues to work closely with its service providers to support the communities within which it operates. On 5 March 2026, Mabele NKL Holdings, one of PMC's valued service providers, demonstrated this shared commitment by donating school uniforms to 1000 learners from both Selwane Primary School and Ehleketani Primary School.

The event was well attended at Selwane Thusong Centre by representatives from the local municipality, the Ba-Phalaborwa Community Forum (BCF), tribal authorities from Selwane royal house, Foskor Mine, PMC as well as learners and educators from the sponsored schools - highlighting a strong spirit of collaboration in uplifting Ba-Phalaborwa community.

The giveback was no surprise - it has become customary within Mabele's practice of excellence to host school uniform handovers through its Back-to-School campaign at the beginning of each academic year. The learner packs contained full school uniforms for the respective schools. Such campaigns highlight PMC's influence towards sustainability and changing livelihoods through their partnerships and contractors.

Mabele NKL Holdings Director, Norman Malatji, shared a heartfelt reflection on the importance of supporting the community that helped shape him.

PMC is very proud to have partners such as Mabele NKL Holdings, whom despite the challenges impacting the global economic climate - they still rise - living the PMC values and have a heart for the community.

"It is a privilege to give back to Selwane - a community that raised me. We are also sponsoring a soccer academy through our partnership with University of Pretoria to recruit talented local young stars to study and play football at the institution. Through initiatives like this, we are able to restore dignity and inspire the future leaders of our country."

Representing PMC, Transformation Superintendent Tshidi Ngobeni commended the initiative and acknowledged the continued support from Mabele NKL Holdings. She noted that the company has consistently demonstrated a culture of giving back to the community through various initiatives, including sports.

Halala Selwane Halala! Halala Mabele Halala! Halala PMC Halala!
